**Online Education**

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		<p>The classroom teaching of the university remained suspended from 15.3.2020 to December 2020 and again from April 2021 to July 2021 because of the COVID 19 Pandemic situation. The university was committed to complete the courses and programmes at the quickest possible time and followed all instructions and time line published by UGC from time to time. The teaching-learning activities resumed in April 2020 and continued through the summer vacation. No summer vacation was made for faculty and all were instructed to work from home. Classes were taken online through lectures and direct interactive classes via Zoom and Google meet platforms. Recordings of lectures were uploaded in the university website and also in social platforms, especially for students with disturbed internet connectivity. Proctorial groups were made by allotting students to teachers and corresponding Whatsapp groups were made for better communication between teachers and students. Reading materials, Lecture notes, text books, reference books and articles were supplied to the students following the copyright guidelines through email and whatsapp as well as uploaded in the university website. Model questions were prepared and supplied to the students for practice at home. Practice classes, doubt clearing classes and practice tests were conducted by teachers to keep the academic activities vibrant. Demonstrative practicals were conducted online, as far as possible, for students of the science streams. Students were also guided to pursue their project work by the supervisors, wherever possible, through literature review and/or conduct of laboratory experiments. Proper psychological counseling, and awareness were made among the students to understand the pandemic situation.</p> <p>For completion of the programmes, all efforts were taken to conduct the examination, especially the final ones and publication of results on time. Physical classroom activities were resumed from January 2021. Hostel facilities were provided to the students to avoid their frequent travelling. All public holidays were cancelled during the period and classes were taken regularly to complete the left over courses of theory and practical. The examinations were conducted during February 2021 and results were published on time for odd semesters. The classroom teaching for the final semesters started immediately after examinations without any semester break. Because of the second wave of Covid 19 pandemic and closure of the institution from April 2021, classes were taken regularly online and examinations were conducted during July-August 2021.</p>
