Subject: Request to allow the publication of advertisement in University Website and in Newspapers to hire one JRF for the research Project entitled "*Tuning Electrochromic properties of BODIPY-Ferrocene Systems through Carborane conjugates*". (File : No. SPG/2021/002579)

Sir,

I want to inform you that the SERB-POWER has sanctioned funds to recruit one junior research fellow (JRF) for the above mentioned research project in Department of Chemistry. The interview for the recruitment will be held on 11th October 2022. The advertisement for this purpose is attached along with this application.

Therefore, kindly allow to publish the advertisement in the University website and also in Newspapers.

With sincere regards,

Rashmi Rekha Satapathy
