Sub: Odisha Research Conclave-2023(ORC-2023) : Reg.

Madam/Sir,

As you know that one of the mandates of the Odisha State Higher Education Council(OSHEC) is to monitor the activities of the Higher Education Institutions (HEIs) every year. ORC-2021 and ORC-2022 were held at Utkal University (13-14 November,2021) and Ravenshaw University ORC-2022 (14th -16th November, 2022) respectively for this purpose. ORC provides an opportunity to the faculty members and Research Scholars to showcase their research output through poster presentation.

This year, Sambalpur University has kindly agreed to host the "Odisha Research Conclave-2023" from November 14 to 16, 2023. It will be a 3-days event, first 2 days for the OURIIP/Non-OURIIP beneficiaries and 3rd day for the 'Centres of Excellence (CoEs) under OHEPEE of World Bank project. Participation of OURIIP Seed Fund beneficiaries and Research Scholars of 2019, 2020 and 2021 batch have been made mandatory, while for 2022 batch, it is optional. The abstracts submitted in ORC-2021 and ORC-2022 will not be entertained for this conclave and only the work carried out in Odisha will be considered.

Sambalpur University will send the detailed guidelines for abstract submission, poster preparation and other information relating to ORC-2023 very soon.

Therefore, it is requested to kindly instruct the Departments and the faculty members to take a note of it and participate in ORC-2023. It's wide circulation may be ensured including in your website.

Yours Sincerely,

Vice-Chairperson
